Net sales in 2016
Our methods save teachers 8 hours/week, improve learning outcomes and engagement of students

We enable learning impact*:
- Learning outcomes: 95%
- Student engagement: 85%
- Better efficiency for teachers: 8hrs/week

By supporting key activities in the teaching and learning cycle:
- Prepare
- Administer
- Coach
- Instruct
- Test and assess
- Practice

With comprehensive learning solutions:
- Instruction
- Teacher guides
- Exercising
- Analytics
- Platform & Distribution
- Services

* Based on a survey of 4,700 teachers. 95% reported that Sanoma Learning materials help them in enabling pupils to realise their learning objectives; 85% reported that these methods help to engage pupils with their learning.
Our portfolio extends beyond core learning methods

Core product: Learning methods

• Integrated teaching and learning resources, including
  • Textbooks
  • Teacher guides
  • Exercise books
  • Learning platforms
  • Analytics

Adjacent areas

• Netherlands: Testing, Corporate learning
• Poland: Exam Preparation, School Management Systems
• Finland: Distant learning
• Belgium: School Management Systems

Sanoma methods are hybrid multichannel
We deploy scalable technologies to lead the digital transformation

Our central technology assets can be **scaled and customized** to local specific needs

- Single content creation and management system
- Central framework for building learning platforms
- High impact learning applications

We have an integrated **approach to product design and development**
Our strong capabilities bring us competitive advantages

- World-class learning and teaching design skills, with a local understanding of customer needs
- Integrated product development process that enables fully hybrid methods and learning solutions
- Centrally driven technology platforms that enable synergies, while allowing local flexibility
- Marketing and sales capability with strong local brands and deep local relationships
Hybrid solutions most effective in the classrooms: today and tomorrow

1. Learning impact will become increasingly important
2. Digital will enable learning impact, with hybrid solutions offering an attractive and sustainable proposition
3. Teachers will remain at the centre of the classroom experience
4. Curriculum will remain local
We have a clear strategy to drive sustainable shareholder value

Key Industry Developments provide growth opportunities
- Continuous school reforms and curriculum changes
- Changing classrooms with a focus on learning impact
- Digital transformation attracts new digital players

Our Strategy drive sustainable shareholder value
- Organic growth in footprint markets
- M&A in (Northern) Europe
- Diversify into adjacent markets

Core Capabilities provide competitive edge
- Learning & Teaching Design
- Technology Platforms & Synergies
- Marketing & Sales Capability
- Management and M&A Capability
Growth opportunities

- Organic growth in footprint markets
- M&A in (Northern) Europe
- Diversify into adjacent markets
The Netherlands is our biggest market, with opportunities for organic growth

**Dutch market**
- Main players: Noordhoff, Malmberg, ThiemeMeulenhoff and Zwijsen
- Growing paid digital market
- Math subject cycle in primary education expected to start from 2019
- Malmberg sales (2016): EUR 94 million
- Malmberg is leader in primary education

**Sanoma Learning growth initiatives**
- Enter the vocational education Health Care market
- Enter the corporate learning market (SAM)
- Successful and growing testing business at Bureau ICE
  - Captured ~25% mkt share of primary education end-test market already in 2 years
CASE the Netherlands

New Primary Education Math Cycle will support growth

- In the Netherlands, market for primary education math towards end of cycle, new cycle expected to start in 2019
- Malmberg, as leader in primary education, with ~65% market share, to benefit most from new cycle
- Math and Languages together represent ~45% of primary education market

The Netherlands Primary Education Math market size cycle 2001-2022F (MEUR)
Sanoma Learning as a market leader in Poland poised to benefit from new reforms

**Polish market**
- Main players: Nowa Era, WSiP, GWO, MACH and foreign publishers
- Market has been under severe pressure in recent years due to regulations introduced in 2014
- However new legislation is likely to lead to market growth
- Nowa Era sales (2016): EUR 71 million*
- Nowa Era market leader

**Sanoma Learning growth initiatives**
- New school structure and new methods for all subjects in coming years via curriculum reform
  - Sanoma Learning has track record of winning market share during reforms; Gained 5% - points mkt share during last reform
- Opportunity to use new go-to-market strategy to win share

---

* Our sales include also School Management
CASE Poland

Educational reforms provide growth opportunities in Poland

- Educational reform signed into law in January 2017 resulting in a large number of materials to be renewed
- Reform 2017–2022 starts with:
  - Curriculum change in primary school grade 4
  - Higher subsidies for primary school grades 1, 2, 3 and 7
- Phase out of lower secondary school
- The transition period will be characterized by:
  - Reorganization of schools
  - Adjustments of curriculum to the new system
  - New materials aligned with curriculum

Organic growth

Bingel: storified, adaptive learning platform for primary education

- Makes learning fun and engaging for pupils, while enabling teachers to provide increased personalization in their class
- Deployed in Belgium, Sweden and Finland
- 90% of teachers would recommend Bingel to peers
- Bingel has won numerous awards over past few years
CASE bingel
Organic growth

- Over 500 million exercises completed on bingel since 2011
- Over 1100 teachers assigning exercises on bingel
- Over 300,000 exercises for pupils to do
- 9 out 10 teachers say they would recommend bingel
- 87% of teachers say bingel helps them personalize learning for their students

Bingel growth in new launch countries
% of Primary school students using bingel

- 0% in 2014
- 1% in 2015
- 15% in 2016

Bingel growth in Belgian Flanders

- 50% in 2011
- 76% in 2013
- 84% in 2017

- Over 500 million exercises completed on bingel since 2011
- Over 1100 teachers assigning exercises on bingel
- Over 300,000 exercises for pupils to do
- 9 out 10 teachers say they would recommend bingel
- 87% of teachers say bingel helps them personalize learning for their students
Improving profitability through bolt-on acquisitions

- Higher scale, lower cost and more rapid deployment of technology
- Lower costs needed to develop high quality products

- Better coverage of curriculum
- More scale

- Integrating overhead and support functions
- Optimizing procurement
CASE De Boeck

M&A growth

An example of highly synergetic acquisition

What we did

- Increase of scale
- Leveraging of digital platforms and transformational capabilities
- Captured synergies and matches from two portfolios

How it was done

- One management team provided clarity from Day 1
- Back office, offices and warehouses integrated immediately, integrated teams in single locations just after 9 months
- Quick wins from publication, but not compromising business continuity

Annual synergies 150% higher than acquired EBIT
Adjacent markets

Sanoma Learning partnered with iTanks and TNO to develop new e-learning programme for high risk safety training at Rotterdam Harbor

Sanoma Learning
• Learning design skills
• Existing learning platforms

iTanks & TNO
• Subject matter expertise
• Industry partnership

Safety at Mainport (SAM) Learning Program

- Safety training program for high risk environments
- Collection of 10-minute micro-learning courses for efficient continuous learning
- Pedagogically designed to improve learning outcomes
- Dashboards for organizational oversight and tracking
- Built on EduBase platform

Potential to expand to new industries
Summary
Our Strategy is to Grow in a Changing Industry

Organic growth in footprint markets
We use our strong positions, assets and skills to capture opportunities in reforms and curriculum changes.

M&A in (Northern) Europe
We make highly synergetic bolt-on acquisitions to leverage our strengths.

Diversify into adjacent markets
We use our assets and capabilities to capture opportunities in adjacent markets such as corporate training.
